

Kingdom Governing Culture 天國治理文化 Isaiah 11:1-5

(1Cor 6:2-3)

I. We can turn the tide. 我們可以改變世界的潮流.

The enemy turn the tide in a deceitful way, we can turn the tide in a praiseworthy way. 仇敵用欺騙的方法改變世界的潮流, 我們用讚美的方法改變世界的潮流.

(Isa 11:1)

我們的主耶穌也將要以聖靈的方式來治理這個神的國度. The kingdom will be governed with the spiritual way:

II. The spirit of wisdom and of understanding 智慧和聰明的靈

Wisdom (חִכְמָה chokmah) is the power of discerning the nature of things through the appearance, 智慧就是能夠看清楚事情的真相和本質.

Understanding (בִּינָה biy nah) is the power of discerning the differences of things in their appearance. 聰明/或明辨 就是能夠辨明兩個似乎是類似的東西, 實際上的不同.

III. The spirit of counsel and of power 謀略和能力的靈
Counsel (עֵצָה `etsah) is the gift of forming right conclusions.
Power (גְּבוּרָה gebuwrah) is the ability to carry them out with energy.

IV. The spirit of knowledge and of the fear of the Lord 知識和敬畏耶和華的靈.

The knowledge of the Lord (יְהוָה יְדַעַת) is the knowledge of the true will of God. 知識/認識耶和華的靈, 就是知道耶和華的旨意.

The fear of the Lord (יְהוָה יִרְאֵת) is the determination to carry out that will to the full. 敬畏耶和華的靈, 因為敬畏神, 所以要把祂的旨意全然的執行出來.

(Prov 9:10)

Reflection

1. Do you think that God call you to practice the kingdom governing culture? How about start with running an election for local office? 你覺得神有呼召你去實習天國治理文化嗎? 要不要從地方首長開始去競選?

2. Would you pray that the Spirit of the Lord be upon us? Which area specifically that you need his filling? 要不要禱告祈求神的靈澆灌在我們的身上, 特別是哪一方面的靈是你所需要的?
